

Homework
Survival Guide
for Parents

Wednesday
November 8, 2017
6:30pm-8:00pm
Savage Center
275 Prospect
Street, Room 219
Norwood, MA
02062

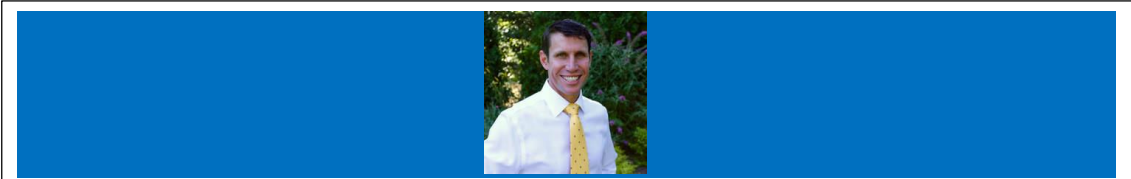

Does your child struggle with completing homework?

Do they lack the strategies to keep track of assignments and get them turned in on time?

Do you want to learn about tools and strategies you can use as a parent to help your child overcome homework struggles?

Please attend this free workshop presented by Dr. David Murphy

This workshop is open to the public and all are welcome!!
RSVP are appreciated but not required at: norwoodsepac@gmail.com

Dr. David Murphy has 20 years of work in the field of special education supporting the needs of students with Executive Functioning challenges, ADHD, Autism Spectrum Disorders, Non-Verbal Learning Disabilities, Learning Disabilities, and Social Anxiety Disorders. He has worked as a special educator, administrator, ADHD coach, and is the President of Effective Effort Consulting in Norwell, MA.
