Committee Meeting

Wednesday, June 16, 2010

A meeting of the Norwood School Committee was held on June 16, 2010. Chairman Samargedlis called the meeting to order at 6:00 p.m.

Committee Members Present: Mr. Paul Samargedlis, Chairman, Mr. William J. Plasko, Jr., Mr. Mark P. Joseph, Mr. Richard W. Kief, Mrs. Eleanor Travers, Ms. Courtney A. Rau and Mr. John Badger.

Superintendent Interview: Dr. Alexander Wyeth: Dr. Wyeth is currently the Assistant Superintendent for Curriculum and Instruction in the Waltham Public Schools. Dr. Wyeth began by informing the Committee of some of his recent accomplishments, which include reorganizing Elementary Report Cards, and reorganizing the Middle School.

Dr. Wyeth explained that his contract was not renewed with the Waltham Public Schools after nine years and he believes that it was due to the School Committee's opinion on the reorganizing of the Middle School. He said that he would not change any of the decisions he has made as he made all of them with the best interest of the students in mind.

Dr. Wyeth explained that in the first 90 days of work if he were appointed Superintendent, he would work closely with the School Committee, Administrators and Town Departments to create an entry plan to see what the priorities of the School System are.

Dr. Wyeth said his aspirations are to lead a school system and to see the positive changes happen. He is committed to doing an excellent job, and he will do what it takes to be successful.

Adjournment: Mr. Plasko made a motion at 6:45 p.m. for adjournment, which was seconded by Mr. Kief. The Committee voted unanimously in favor 7 -0.

Respectfully submitted:

Donna G. Doliner, Clerk
Norwood School Committee
