Introduction:

Investigation: Internet activity:

At times we need to understand the story and the history behind a movie in order to appreciate the situation and the emotions expressed in the film. This is especially true about films that take place in a country which has been isolated from our own country. Up until this past year 2016 Cuba has been isolated from the U.S. for about a half of CENTURY!!

Task:

Utiliza los siguientes enlaces e identifica los personajes, lugares, y eventos para ganar un mejor entendimiento sobre la historia y la cultura de Cuba. ¿Cómo ha influido este evento el desarrollo del país? ¿Cuál es su importancia hoy en la actualidad? Prepara una presentación para la clase en forma de un PowerPoint o Página Web con tus conclusiones.

(Use the following links to identify key information about the people of Cuba, places, and events to gain a better understanding of the history and the culture of Cuba. How has this person/place/event influenced the development of the country? What is its real significance today? Prepare a presentation for the class in Spanish in the form of a PowerPoint, or Web Page with your findings.)

Process:

You should research ALL of the following people, places, and events about Cuba. Para las personas, no te olvides identificar lo siguiente también: ¿Cuándo nacieron? ¿Por qué es/era importante? Para los lugares e eventos: ¿Cómo ha influido este lugar o evento el desarrollo del país? ¿Cuál es su importancia hoy en la actualidad? (Even though you need to research all of the following – **YOU WILL ONLY CHOOSE ONE PERSON OR TOPIC TO PRESENT**) All work (words/grammar ect.) must be your OWN and don't forget a works cited page for all content including pictures MLA format is fine.

- 1) Fulgencio Batista
- 2) Fidel Castro
- 3) Che Guevara
- 4) Dizzy Gillespie
- 5) José Martí
- 6) Arturo Sandoval
- 7) La Habana/ La Havana
- 8) Guantánamo
- 9) Cuban Revolution - ¿En qué año...? ¿Contra quiénes...? ¿Qué clase de gobierno se estableció?

You should manage your time wisely over the summer as you will have a lot of research to do on each of the topics. By the end of beginning of August you should have already completed most of your research and be planning your presentation. Please see PowerPoint / Web Page Planning Graphic organizer to help you. Your multimedia project needs to be completed by the time you return to school along with your reflection of your work emailed to me (see below). (Even though you need to **research all** of the following – **YOU WILL ONLY CHOOSE ONE**

PERSON OR TOPIC TO PRESENT) You will do your oral presentation the *first day* of class.
