Logging in at School or at Home

1. Launch your web browser.
2. Go to <http://portal.norwood.k12.ma.us>

Your email address is your first initial/last name followed by @norwood.k12.ma.us (i.e. jdoe@norwood.k12.ma.us).

Enter your Email address and Password as requested. Click on login.

The screenshot shows the login page for Addition Networks. The page has a blue header with the 'Addition Networks' logo and the text 'Addition Networks Web Portal - Authorized Use Only'. Below the header, there are two input fields: 'Email address:' and 'Password:'. There is a checkbox labeled 'Remember my email address' and a 'Login' button. Three numbered instructions with arrows point to the form elements: 1. 'Enter your complete email address: i.e. jdoe@norwood.k12.ma.us' points to the email field. 2. 'Enter your password' points to the password field. 3. 'Click to log in' points to the 'Login' button.

TIP: Click here to avoid typing in your username every time you log in. (NOTE: you must have the 'accept cookies' feature enabled on your browser for this feature to function properly).

The Top Navigation Bar

The Navigation Bar shown below is located at the top of the page.

The Folders Tab

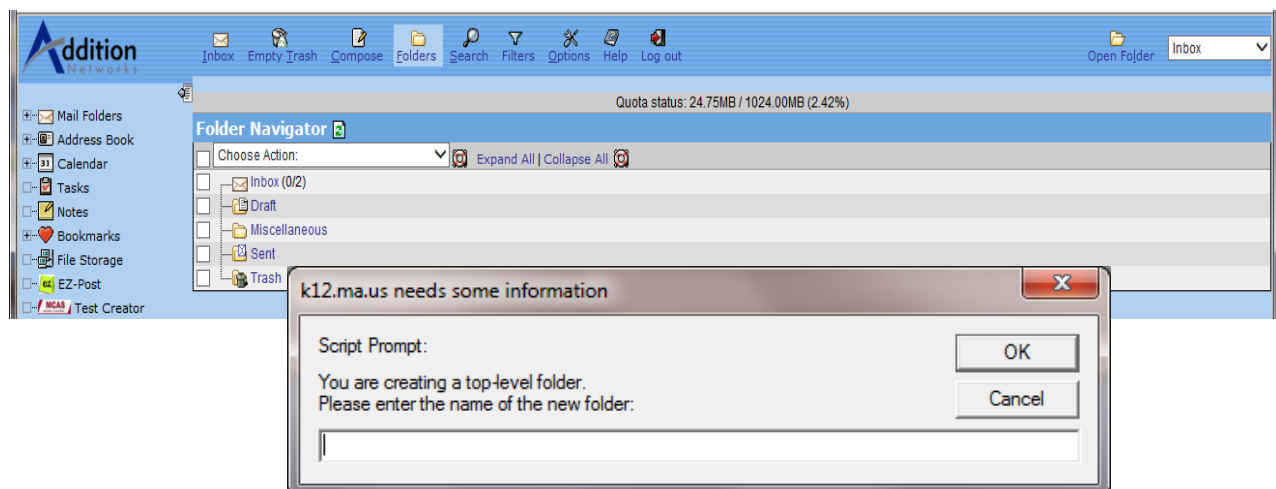

This is where you will create folders to help with organization of your email messages. Creating folders to organize your email will save you a great deal of time and it's easy to do. Note, however, that mail moved out of the Inbox will no longer be hosted on the mail server and therefore not available to other SMTP/POP3 clients.

By default, the Inbox is created for you. The Sent folder is created the first time you send an email, the Trash folder is created the first time you delete an email, and the Draft folder is created the first time you save a draft message.

To create additional folders

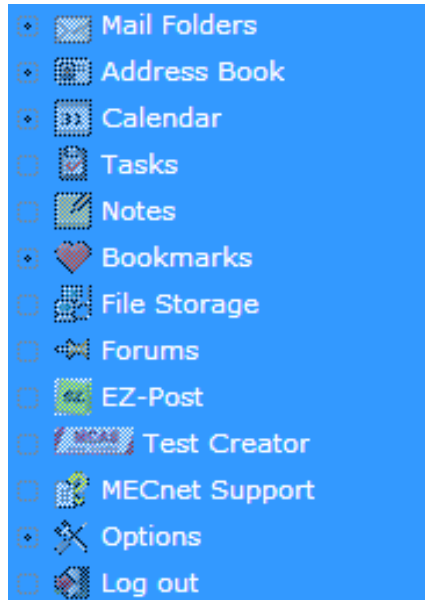

- Select 'Create Folder' from the drop-down menu.
- Type the name of the folder in the pop-up box.
- Click the 'OK' button

*By default, the new folder will be created under the Inbox.

The Side Navigation Bar

The Navigation Bar shown below is located on the left side of the page. We will discuss only five of the selections offered in the Navigation Bar below. We will discuss the Options, Mail Folders (Inbox and Compose), Address Book and Logout tabs.
