

IMG Software is pleased to provide a new iPass software interface!

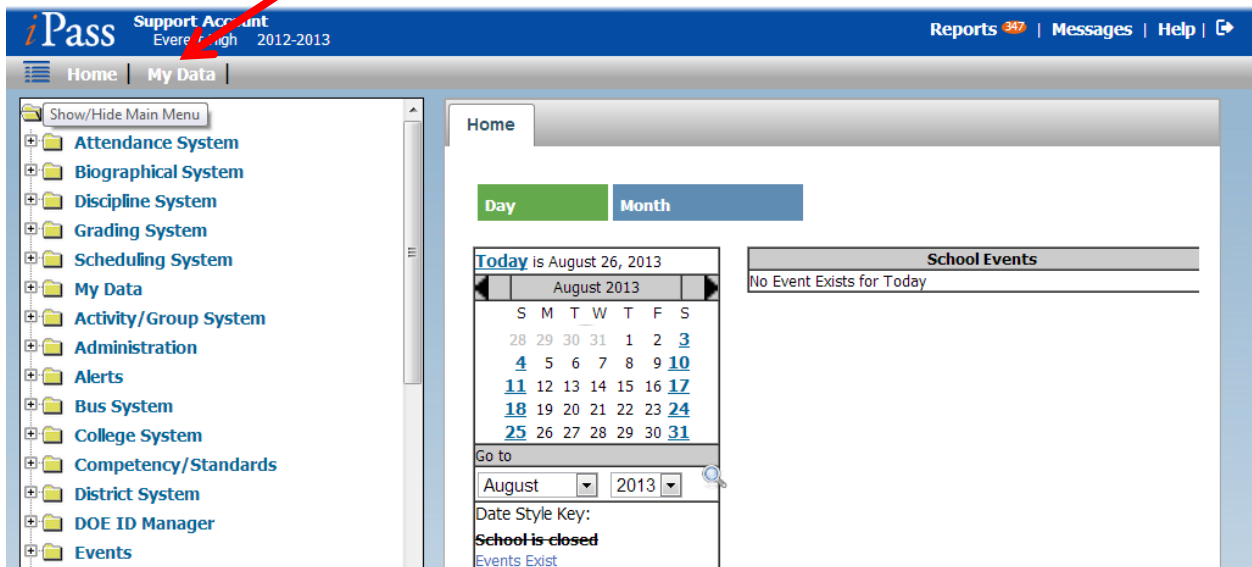

A key component of this roll-out will be the show/hide feature on the top left of the screen.

Hide will allow users to work in a full screen mode. Click on the  icon to show or hide the menu folders.

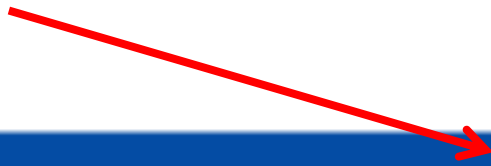

The screenshot shows the iPass software interface. The top navigation bar includes the iPass logo, "Support Account Everett High School 2012-2013", and links for "Reports 347", "Messages", and "Help". Below the navigation bar, there is a "Home" button and a "My Data" link. A red arrow points to the "My Data" link. The main menu is visible on the left, listing various system folders such as "Attendance System", "Biographical System", "Discipline System", "Grading System", "Scheduling System", "My Data", "Activity/Group System", "Administration", "Alerts", "Bus System", "College System", "Competency/Standards", "District System", "DOE ID Manager", and "Events". The main content area displays a calendar for August 2013, with "Today" being August 26, 2013. The calendar shows dates from 28 to 31. Below the calendar, there is a "Go to" section with dropdown menus for "August" and "2013". A "Date Style Key" section indicates "School is closed" and "Events Exist". To the right of the calendar, there is a "School Events" section with the text "No Event Exists for Today".

Key Items to Note:

iPass is being designed to preserve the old and provide a roadmap towards the new interface. The new iPass will function best in Internet Explorer 10, Firefox v23, and Google Chrome. You may experience performance issues in IE9 and lower as well as Safari.

In the upper left corner of the new view, you will see the icon  to show/hide the left menu options. By default, the left items will be viewable upon login. Click once on the icon to hide the left menu options and work in a full screen view. Click again to show the menu items.

On the upper right corner, is the new Log Out icon, just to the right of the Reports and Help links:
