

NORWOOD PUBLIC SCHOOLS

Dear NPS Community,

Superintendent Thomson has notified the Norwood Public Schools that, on his physician's recommendation, he will be on a leave from work for some time. His status will be updated periodically and provided to us. We wish him a speedy return to good health. We appreciate everyone respecting Dr. Thomson's privacy at this time.

At last night's School Committee meeting, Dr. Jose Muñoz was appointed by the Committee as the Acting Superintendent in Dr. Thomson's absence. Additionally, Mr. Matthew Wells was appointed Acting Assistant Superintendent.

Please know that as the governing body of the school district, the Norwood School Committee is committed to working with Dr. Muñoz and Mr. Wells during Dr. Thomson's absence to make sure that there is no interruption in district business or educational goals.

Thank you for your understanding and patience.

Sincerely,

Anne Marie Mazzola
Chair
Norwood School Committee
