

## Norwood High School Remote Learning Rubric for Individual Assignments

Value	Mastery Learning Grade Scale	Rationale
Credit	Advanced	The learner has demonstrated outstanding understanding of the specific knowledge and skills.
	Proficient	The learner has demonstrated understanding of the specific knowledge and skills.
	Developing	The learner has demonstrated a developing understanding of the specific knowledge and skills.
	Needs Improvement	The learner has provided evidence for assessment, but does not yet demonstrate understanding of specific knowledge and skills.
No Credit	Incomplete/ Failure to engage	<p>The learner has not provided enough evidence to assess proficiency.</p> <p>On an individual assignment, this feedback means no credit at the point of submission, but additional support will be offered to help the student gain credit.</p> <p>If additional supports are not utilized, a no credit mark may become final.</p>
