

NORWOOD PUBLIC SCHOOLS

Dear parents and guardians,

I hope this message finds you and your loved ones safe and well. I'm reaching out to share some important news concerning our school community.

During last night's school committee meeting, it was announced that Superintendent Thomson was on leave. We appreciate everyone's respect for his privacy at this time. I, Dr. Muñoz, have been appointed Acting Superintendent, and Matthew Wells has been appointed Acting Assistant Superintendent. As a team, we will focus on leading the district to a successful close of the current school year.

I want to recognize the incredible dedication and hard work of our teachers. They are the backbone of our children's education, and we sincerely appreciate their commitment, especially during these challenging times.

As we navigate these uncertain times together, we must come together as a community. We understand that there may be hurdles ahead, but we are here to support you and your children every step of the way.

We are committed to addressing any challenges that arise collaboratively. Your feedback and input are invaluable to us as we work to ensure that your children receive the best possible education.

Looking ahead, we are actively preparing for the transition to a new superintendent in July. We are dedicated to making this transition as smooth as possible so that your children's education remains our top priority.

Thank you for your continued support and partnership. Together, we will navigate these changes and continue to provide a nurturing and supportive learning environment for your children.

Warm regards,

J. J. Muñoz Ed.L.D.
Acting Superintendent
