

## Superintendent Search Update and [Timeline](#)

**Please see the linked timeline for search process milestones including focus groups on November 29th.**

Thank you to all members of the community who volunteered to sit on the search committee for Norwood Public School's next superintendent. We received many worthy applicants and appreciate all who offered their commitment to the district.

Our goal was to balance the group based on the criteria set forth by the school committee. We received multiple volunteers representing many of our schools and with various backgrounds which made the decision difficult.

We look forward to a productive process with these confirmed appointments:
