“Childhood is a journey, not a race.”

Dear Balch Families,
With the arrival of winter we have had a real change in the weather. We make every effort to have outdoor recess even when it is cold outside. The children enjoy getting outside and running around with their friends and classmates. Because we do try to go outside every day I am asking that all children come to school appropriately dressed for outside

play. Children need to wear a winter coat, a hat and mittens or gloves. Thank you so much for helping keep our students comfortable.

Sincerely,
Mrs. Selines

Tips for a healthy winter:

Get lots of rest. Elementary school children need at least 9 hours of sleep every night.

Start the day off with a good breakfast. Remember: If you are running late - the cafeteria serves breakfast daily.

Teach children to cough into their elbow.

Stay home with a fever. Children can return to school when their temperature is normal for 24 hours without medication.

Remind children to drink

Principal-
Jean Selines
Head Teacher-
Elizabeth Kelly
Secretary-
Sheila Keady
School Nurse-
Cathleen Clark

Residency:

If you have moved recently please let us know as soon as possible. You need to sign a release of records form in the Balch office so we can forward your child's records. Please remember that you must live in the Balch School district to attend the Balch School. You must live in Norwood to attend the Norwood Schools. If you have a question about what streets are in the Balch district please call transportation-781 762

SCHOOL ACTIVITIES

Recently our students took part in a Thanksgiving assembly. Children sang songs about this holiday, wrote and recited

sent brief skits. Photos from this activity are posted on the Balch School website in the photo gallery.
