September 13, 2013

Dear Parents /Guardians,

It gives me pleasure to announce the appointment of two new housemasters at the Coakley Middle School. One is a familiar member of our Coakley community and the other comes to us from another district.

Mr. Walter Chambers has been a member of our English department and blue team for a number of years. He filled in as interim housemaster for us when Mr. Meringer took a position at Dover-Sherborn Middle School. He is familiar to the students and staff and many of you. Mr. Chambers will be housemaster for the blue team. Mr. Chambers will begin his tenure as housemaster upon appointment of a new English teacher for 7th grade blue team. Please welcome and support him in his new position.

Mr. Michael Morro comes to us from Dartmouth Middle School where he has been a social studies teacher and worked as a substitute administrator as needed. He will be joining us at our Open House on September 17th and begin full time on September 18th. Mr. Morro will be the Housemaster for the Green Team. Please give a warm CMS welcome to a new member of our faculty. Please offer support (and probably directions) as he learns to navigate our school and learn about our students.

Sincerely,

A handwritten signature in cursive script that reads "Ann N. Mitchell".

Ann N. Mitchell
Interim Principal
