Norwood Public Schools

24th Annual

April 29th

10:00am-2pm

Norwood High School

245 Nichols ST

Norwood, MA 02062

Welcome to the 2023 Annual Fine Arts Festival!

I am so very excited to welcome you all to our 24th annual Fine Arts Festival! This festival will showcase a wide variety of visual art, music, drama, and television production; examples of student work that is created daily in the classrooms throughout the Norwood Public Schools.

Many people contribute to making this annual festival a success. I'd like to thank Dr. David Thomson, Dr. Alec Wyeth, and the Norwood School Committee for their unwavering support of a comprehensive K-12 Fine Arts curriculum, the building principals for their daily support of fine arts instruction in their schools, the fine arts faculty, a truly outstanding and dedicated group of educators, and to Paul Riccardi, Director of Buildings and Grounds, Mary O'Brien, and the Norwood Public Schools custodial staff who help us schedule rehearsal space, move equipment, and set up for performances and art shows. A special "Thank You" to Mildred Maldonado, our Fine Arts Department Administrative Assistant, who handles so many different tasks that they are impossible to list!

Last, but certainly not least, I would like to thank all of the parents and families who share in our commitment to arts education. Nurturing a desire to aim for excellence is the result of many factors, not the least of which is parental support and involvement. The Fine Arts Department firmly believes that the guidance and encouragement of parents is vitally important in creating successful artistic experiences for all students.

If you would like to know more about how you can help in supporting arts education in Norwood, please consider participating in one of our booster organizations. For more information, please visit:
