

## \*Norwood High School's Meet the Teachers Night Thursday, September 21, 2023 6:00 pm – 8:00 pm

This is a great opportunity for guardians to follow your student's schedule. Please arrive promptly for first Period which starts at 6:05 pm. To obtain your student's schedule, please use your Aspen Account and click on Schedule. Once you are looking at your student's weekly schedule in Aspen, you should follow the Monday courses in order (1-6) and then attend the last period class on a Tuesday as your seventh class. Our Student Support staff (School counseling and administration) will be available if you have any questions.

Please note this is not a Conference Night for specific discussions about individual student performance. This is intended as an overview of the course and an opportunity for you to meet your student's teachers. Parent Conference Night will be held in November. Of course, you may contact your student's teacher to set up an appointment as well.
