

## WAX MUSEUM

The third graders at the Oldham School have been working extremely hard on their biographies. We are all very excited for this year's Living Wax Museum! The wax museum requires each boy and girl to dress up like the person they researched and wrote about in their biographies.

The wax museum celebration will take place on **Wednesday, March 20, 2019** from 9:00 am – 9:45 am. All families are welcome to attend the museum during this time. We will also have a dress rehearsal on **Tuesday, March 19, 2019** so please have your costume and any props ready by this date.

Students must also create a free standing poster on the person they researched and can bring it in prior to the museum. Posters should be NEAT and clear. You may include a timeline, pictures, famous quotes, etc.

Thank you and please let us know if there are any questions.
