## FUNDING BUDGET

## Revolving Funds

The Norwood Public Schools collects fees to offset the costs associated with various programs such as athletics, transportation and preschool tuition. School Districts also receive funds from the Special Education Reimbursement Program (Circuit Breaker) to offset the Special education program costs.

> NPS continues to monitor, evaluate and effectively use our Revolving Funds - Budget Offsets increase $\$ 1,376,516$

| Description | FY21 Offset | FY22 Offset | FY23 Offset | FY24 Offset |
| :---: | :---: | :---: | :---: | :---: |

| \% Increase Per Year |  | $\mathbf{- 3 \%}$ | $\mathbf{2 2 \%}$ | $\mathbf{3 4 \%}$ |

Circuit Breaker Reimbursements rise as the increase in OOD tuition costs rise - the Budget Offsets have risen as well. It is important to note that the District should be mindful to keep some reserves in this fund for future unexpected Special Ed costs. State allows 2 years to expend the funds.

School districts are eligible for reimbursements of expenditures for students whose special education program costs more than four times the statewide foundation budget. By law, the districts are reimbursed for up to $75 \%$ of the costs above the threshold, subject to appropriation. Foundation per Student that must be met prior to any reimbursement for FY24 is \$51,722.

Special Indicators: Students falling into the following categories may be eligible for $\mathbf{1 0 0 \%}$ Circuit Breaker Reimbursement (less foundation) Abandoned, Homeless and State Ward.

Districts can also apply for Extraordinary Relief each year when their claimable Special Ed costs exceed $125 \%$ of the previous year's claimed costs.

The School-based Medicaid Program offers LEA's an opportunity to receive federal dollars to offset costs for providing certain Medicaid-covered direct services in a school setting.

NPS continues to search for Grant Opportunities - Federal, State \& Private. All grant employees benefits are paid through the grant funding.

Chapter 70 Aid Historical Comparison
Norwood continues to see large increases in their Chapter 70 Aid due to the Student Opportunity Act and changes in the School Districts population.

FY24 - another 28.81\% increase of $\$ \mathbf{3}, 654,816$. Chapter 70 Aid Increase accounted for $93 \%$ of the Town's total FY24 Cherry Sheet increase in revenue and 94\% in FY23.

## - Chapter 70 Aid

Under the Student Opportunity Act (SOA) - DESE is required to identify eligible students up to $185 \%$ of the Federal Poverty Level (FPL) for purpose of determining Chapter 70 aid. SOA also to a closer look at inequitable gaps in economically disadvantaged, students with disabilities, and English Learners.

Norwood continues to be over the Required Net School Spending, however, FY23 estimates a dip in the \% over the requirement from 48.10\% to 43.20\%
